Eric Agyeman's KEYNOTE FOLLOW UP...

- Start with general conversation about what they thought?
- Ask a few students to share a highlight

Personal Reflection Time

These activities are designed to reinforce the themes of Eric’s Keynote.

We will start with getting the students to reflect individually on topics raised in the Keynote.

The students will need to have something to write down personal answers on.

WRITE DOWN:

**YOUR 1 KEY
TAKEAWAY FROM
ERIC'S KEYNOTE?**

A circular logo with the letters 'EA' inside, and the name 'ERIC AGYEMAN' written below it.

Give the students a few minutes to write down their take aways

The 3 points from the Keynote they can use as a guide are:

- The power of words
- Failure is never a person, it's only an event
- My future success!

Let's SHARE:

- **With the person next to you**
- **To the Group**

- Get the students to discuss / share their take aways with the person next to them (or small groups of 3) if they feel comfortable

- After 5 mins or so, ask if anyone would like to share with the whole group

WRITE DOWN:

**IN WHAT AREA(S)
SPECIFICALLY WILL
YOU IMPLEMENT THIS
TAKE AWAY?**

A circular logo with a gold border and a white background. Inside the circle, the letters 'EA' are written in a stylized, gold font. Below the circle, the name 'ERIC AGYEMAN' is written in a small, gold, sans-serif font.
